

MISSION STATEMENT

The Department of Corrections with victims, communities, and state and local governments improves public safety through humane confinement and effective community interventions. Through our cooperative efforts to provide effective correctional service, we hold offenders accountable for their behavior and prepare them to be productive citizens. The Missouri Department of Corrections is committed to the safety of the community as the highest priority. We are also committed to the custody, supervision and rehabilitation of the adult offender. We best serve the citizens of the State of Missouri when we strike a fair and equitable balance.
